ERIBA CARAVANS 2020

ERIBA

INVENTOR, VISIONARY, ENTREPRENEUR

WHEN HE FOUNDED THE ERWIN HYMER GROUP, ERWIN HYMER NOT ONLY ESTABLISHED A HIGHLY SUCCESSFUL GROUP OF COMPANIES BUT ALSO REVOLUTIONISED CAMPING IN GENERAL.

Technical know-how, the pioneering spirit of the entrepreneur and a healthy dose of ambition and hard work – all of these were typical of Erwin Hymer. From humble beginnings, our company's founder, who passed away in April 2013, created a group of companies which now ranks among the leading motorhome and caravan manufacturers in Europe and is active worldwide.

As a young engineer, Erwin Hymer followed his parents' calling and began working in his father Alfons' repair shop in the southern German town of Bad Waldsee in 1956. Just one year later, he developed the first caravan – the original "Troll" – in collaboration with the engineer Erich Bachem. And thus began a new era! The next decisive step came in 1971 with the launch of the first HYMER motorhome – a key milestone in our long corporate history!

For over 60 years, the EHG has produced a range of different series, models and layouts.

Many of its motorhomes and caravans have set standards and ushered in new trends – especially in terms of technology, comfort and design, as well as quality and safety. For our founder Erwin Hymer, incorporating customers' wishes into the development of new and improved vehicles was always a matter of principle.

For decades, Erwin Hymer's inventiveness and ceaseless creativity has shaped the entire industry. His whole life's work provides us with a model for future corporate decisions.

Erwin Hymer (* 27 July 1930; † 11 April 2013), a leading figure of the European caravan and motorhome sector

As a result, the concept of motorhoming has always been inseparably linked with the name HYMER. The passion and professionalism that goes into the development and construction of our vehicles is appreciated by our customers. We at HYMER are not only proud of over 60 years of company history, but also of our employees, who devote their energy and ideas on a daily basis to making "travel in the original" possible.

A PARADIGM OF EFFICIENCY.

The Touring caravan from ERIBA

The unique and timelessly elegant design of the ERIBA Touring is no accident. The exceptional concept featuring a steel frame located beneath an aerodynamically designed aluminium skin has its origins in the aviation industry and was perfected by an aeronautical engineer over 60 years ago.

The Touring's aerodynamic front section has numerous benefits for you on your travels, including lower air resistance and fuel consumption, as well as greater driving safety and perfect roadholding characteristics. Discover a premium quality, fuel-efficient and compact travel pro that's more than earned its cult status.

A CARAVAN DESIGNED TO MEET THE HIGHEST STANDARDS.

The ERIBA CLIMADUR bodywork

The ERIBA Nova models achieve the best insulation values in the cold chamber test thanks to the innovative CLIMADUR construction. This is ensured by the water-resistant and extremely durable PU reinforcements and the XPS insulation. The lightweight and rot-proof GRP floor, as well as the GRP roof, front and rear, provide reliable protection against hailstones and also contribute towards the durability and stability of the bodywork. Integrated expanded metal inserts guarantee a secure fit for the screw connections.

The lowered awning rail and side walls made of aluminium smooth metal also underpin the premium design of the caravan.

ERIBA TECHNOLOGY

THE FUTURE IS NOW – DISCOVER THE UNIQUE ERIBA TECHNOLOGY.

Storage space

The ERIBA gives you even more comfort and space within the same dimensions. Clear storage spaces, large overhead lockers and the cellar space below the beds and seating ensure a huge amount of additional storage as standard.

Lighting concept

The lighting concept with dimmable light zones and variable accent lighting helps to create a cosy ambience.

Heater

The optional hot-water central heating system for the ERIBA Nova guarantees a warm and cosy interior and an unrivalled level of comfort without any draughts. Thanks to the convective heaters integrated in the furniture, air can circulate freely and imperceptibly, ensuring a uniform temperature distribution. Combined with the hot-water floor heating, you couldn't be more snug.

- Can be controlled via ERIBA Smart Home app
- Two 230 V electric heaters for quick heating
- Top score in the cold chamber chest
- Concealed installation
- Integrated hot-water boiler (also makes efficient use of the heating energy)

Soft-Close

All kitchen drawers are roller-mounted for an ultra-smooth action. They feature high-quality servo soft-touch closing mechanisms and one-hand push-locks which prevent the drawers from opening and rattling while the vehicle is in motion.

Smart Home

The ERIBA Smart Home system leaves nothing to be desired where functionality and comfort are concerned. All of the caravan's main functions can be easily controlled via the modern TFT display above the entrance door.

Entertainment

The optional ERIBA multimedia package includes a 32" LED TV in the living area as well as a two-speaker radio entertainment system and a digital satellite antenna.

ERIBA comfort sleeping system

Multi-zone cold foam mattresses offer many advantages when it comes to ensuring a comfortable night's sleep. The ERIBA comfort sleeping system includes a high-quality EvoPore mattress to ensure precise counter-pressure for every part of your body, helping to ensure a pleasant and restful sleep.

LIVING AREA AND KITCHEN

INSPIRING INTERIOR DESIGN ON WHEELS.

More space for preparation

The side flap acts as a worktop extension and combines with the optional sink cover with chopping board to create a large work surface.

Stowage space galore

All fixed beds open up wide and are kept securely in position by spring struts. The enormous bed boxes are easily accessible – either from inside the caravan or from the outside through the large exterior locker door on the awning side (optional extra depending on model).

Compact yet amazingly spacious

The ERIBA Touring with its pop-top roof boasts a headroom of 1.95 metres. The interior has a very welcoming feel, with cleverly designed furnishings in the warm Trentino Pear Wood furniture finish.

Seating areas

All seating areas can be transformed at a stroke into a comfortable bed. The spacious seat boxes provide plenty of easily accessible stowage space.

SLEEPING AND BATHROOM

CHARMING INTERIOR CONCEPTS.

Everything in its place

The bathroom is equipped with a height-adjustable mirror, a shelf with tensioning straps to store utensils, a towel rail and a bench toilet.

Maximum sleeping comfort

Travelling doesn't have to mean compromising on sleeping comfort: in the ERIBA Touring, restful slumbers are guaranteed thanks to cold foam mattresses or optional innerspring mattresses with soft covers.

COMPACT COMFORT FOR THE DISCERNING CUSTOMER.

ERIBA FEELING AND ERIBA NOVA LIGHT

Perfect for serious travelling coupled with home comforts: the light and nimble ERIBA Feeling and ERIBA Nova Light. The compact ERIBA Feeling is notable for its low chassis and boasts a spacious interior and pleasant climate thanks to the pop-top roof. The ERIBA Nova Light impresses with its generous headroom. And its extremely low dead weight means it can take any amount of luggage. Cosy seating areas and berths ensure a superior standard of living and sleeping comfort.

Highlights

- Gapless insulation thanks to the proven PUAL design
- Perfect interior climate thanks to the pop-top roof with canvas window in the ERIBA Feeling
- Low fuel consumption due to the rounded design
- 1.95 m headroom thanks to the ERIBA pop-top roof in the ERIBA Feeling
- Travel-friendly thanks to compact dimensions and excellent manoeuvrability
- Optional pop-top roof for 2 people in the ERIBA Feeling

LIVING AREA AND KITCHEN

PERFECT HOME COMFORTS
IN A COMPACT CARAVAN.

Mobile apartment

Your mobile apartment offers top-class living comfort and an astonishing amount of space within a compact exterior. As for the location, the choice is yours!

High-spec refrigerator

The lockable 142-litre refrigerator has an integrated 15-litre freezer compartment plus flexible shelf inserts and can be run on 12 V, 230 V or gas.

Practical storage space

The generous overhead lockers in the attractive Grand Oak furniture finish are equipped with high-gloss, chrome-coloured handles. Numerous open shelves offer even more storage potential.

Clearly arranged

The compact kitchen of the ERIBA Living has everything you need for a carefree holiday. The generous drawers keep your kitchen equipment clearly organised.

SLEEPING AND BATHROOM

DELIGHTFUL ACCOMMODATION FOR THE WHOLE FAMILY.

100% family-friendly

The bathroom in the ERIBA Living is ideal for families, with practical fittings so you can tidy away all your bits and pieces quickly and easily.

Sleep like royalty

The large transverse bed at the front of the Living 525 gives you lots of room to spread out and ample storage space underneath.

Extra berth

The large fold-down bed above the seating area in the Living 555 XL can be infinitely adjusted, providing you with lots of space despite the compact vehicle dimensions.

Storage space galore

The large storage box under the fixed bed in the Living 485 is easily accessible both from inside and outside via the 100 x 40 cm exterior locker door at the side.

PLENTY OF FREEDOM FOR FAMILIES.

ERIBA EXCITING

The ERIBA Exciting delights with its chic design and attractive colour scheme. The living and sleeping area are practically equipped and radiate a homely atmosphere. The flexible berth arrangement (featuring bunk beds in 2 of the models) makes the ERIBA Exciting very child-friendly. A great combination

The cooker/sink combination with three burners and a safety pilot is easy to clean and does not take up too much space in the front. For easier cooking, the worktop surface can be increased as required using the worktop extension.

LIVING AREA AND KITCHEN

ROOM FOR INDIVIDUALITY.

Comfortable seating

The ERIBA Exciting – shown here with the Calvi fabric combination – includes comfortable, upholstered seats with lumbar and knee support.

Cosy atmosphere

The large front seating area in the Exciting 530 combines the Calvi fabric design with the Noce Cognac furniture finish for a sophisticated ambience.

SLEEPING AND BATHROOM

DELIGHTFUL ACCOMMODATION
FOR THE WHOLE FAMILY.

Sleep comfortably

Generous twin beds with plenty of storage space in the overhead lockers. The wardrobes are very spacious.

Large play and lounging area

With the aid of an optional slatted frame, the twin beds can be quickly and easily turned into a large play and lounge area for the whole family.

Small is beautiful!

Everything you need in the smallest of spaces, while the Noce Cognac and Alaska White furniture finish gives you a feeling of spaciousness.

NEW – FOR OVER 50 YEARS.

ERIBA NOVA

The clue is in the name. This year, our popular premium series has been completely redesigned. Thanks to our innovative CLIMADUR construction technology, the highest insulation values have been achieved, along with maximum stability and longevity. In addition to the familiar, curved design, the stand-out features include the side walls in smooth aluminium sheet metal, the recessed awning rail and the dynamic rear design with the multifunction LED hybrid lights. Inside, the new Trend and Ambience interiors create an invitingly modern atmosphere thanks to the bright furniture finish and subtle use of wood surfaces. These can be viewed on the following pages. ERIBA Nova – welcome to your new home!

Highlights

- Innovative CLIMADUR body shell design – maximum insulation and stability in an appealing design
- ERIBA Smart Home system – all functions can be controlled centrally or via the app
- LED rear lights with hybrid technology
- Individual comfort with round or square seating area
- Trend and Ambience equipment packages
- Lighting concept with dimmable light zones and variable accent lighting
- Floor-to-ceiling wardrobe with lighting, clothes rail and shelf inserts

LIVING AREA AND KITCHEN

ALWAYS AT HOME,
WHEREVER YOU GO.

**An all-round success.
Or do you prefer to square things up?**

Whether you choose the round or square version of the integrated seating area, you will always enjoy maximum comfort and style – with a selection of high-quality modern upholstery materials to choose from.

**The enjoyment begins
before you even start
cooking.**

The spacious kitchen not only looks chic, but also boasts an abundance of storage options thanks to numerous drawers and a pull-out larder unit.

Let there be light! (Or make it darker if you prefer.)

The ERIBA Nova models feature an innovative lighting concept with dimmable light zones and variable accent lighting. This not only creates individual lighting moods, but can also be easily operated via the Smart Home system.

SLEEPING AND BATHROOM

THE ONLY THING YOU'LL HAVE TO LEAVE BEHIND? THE DAILY GRIND.

For unforgettable days. And blissful nights.

The comfortable V-shaped beds, which are particularly easy to climb into (and out of), can be folded right up to create convenient access to the storage space underneath. Need a lie-in? Alternatively, the storage space can also be accessed from outside the caravan.

Smart Home – now also available for your second home.

The standard ERIBA Smart Home system lets you conveniently control all important functions such as lights, heating, air conditioning and hot water. You can even display the fill levels of the battery and water tank – either via the integrated digital control panel or the ERIBA app on your smartphone.

**Need some “you-time”?
Of course you do.**

The modern, bright bathroom features a variety of shelves and cupboards to ensure everything has its place – and stays there when on the move.

**Short sleeves? Long sleeves? No sleeves?
Bring them all!**

To ensure you don't have to leave your favourite belongings at home while on holiday, all ERIBA Nova models include a large floor-to-ceiling wardrobe with lighting, clothes rail and shelf inserts. Talk about practical!
