

HYMER

HYMER Camper Vans 2020

*THE FREEDOM
YOU NEED.*

KEEP ON TRAVELLING.

If you are looking for something special, you need a special companion. That's why since 1961 we've been building camper vans that are ready for any adventure. At that time, we opened up a completely new dimension of mobile travel for our customers with our "Caravano" camping bus. Today, HYMER Camper Vans are the perfect vehicles for extended vacations, spontaneous weekend trips or even just driving to the nearest supermarket – thanks to their manoeuvrability and compact dimensions, the flexible and

well-thought-out arrangement of their seats, and their all-round versatility. Our vehicles are based on either a Mercedes or Fiat chassis – the Fiat models are available with or without a bathroom. In addition, we offer the option of a folding or pop-top roof as well as manual or automatic transmission – to suit your individual needs. This ensures your HYMER Camper Van is exactly the vehicle you need for your next adventure.

1957

Erich Bachem ("ERIBA") and Erwin Hymer build the original "Troll", the first caravan.

1975

The two camper vans 500 and 501 on a Mercedes L 206 D/L 207 base – with caravan-style pop-top roof – usher in a new product category.

1982

Introduction of the name HYMERCAR. The angular HYMERCAR 1 based on the Ford Transit has a strong visual resemblance to American vans.

2016

The first HYMERCAR based on the Mercedes-Benz Sprinter: the Grand Canyon S with car-like vehicle handling.

2019

New name, same quality: HYMERCAR is now HYMER Camper Vans

HYMER Free

THE WORLD IS YOUR OYSTER.

Do you like the extraordinary? Do you like to live spontaneously in your free time? The HYMER Free has been developed to precisely meet your needs! Its modern design, spacious interior and high-quality furniture finishes make the HYMER Free the perfect travel companion. It impresses thanks to numerous clever details and a comprehensive range of equipment. For example, two additional berths can be created with the optional pop-top roof. Feel free!

Pop-top roof
(optional)

Insulated aluminium
framed windows

ISOFIX
(optional)

Ambient lighting
in the living and
kitchen area

Pleated insect screen
for the sliding door

Separate wardrobe

INVITINGLY EXPANSIVE.

TAKE A VIEW.

The large sliding door on the side of the HYMER Free offers splendid views. The standard pleated insect screen also protects you from mosquitoes and other unwelcome guests.

WELL EQUIPPED, WELL PREPARED.

The kitchen area in the HYMER Free is equipped with a cooker/sink combination with a two-burner gas hob. The cooker and sink can be covered with a glass lid to create a generous work surface. The door of the 70-l refrigerator has a double hinge and can be opened in both directions as required.

MODULAR ELEGANCE.

The hook-on table in the HYMER Free can be extended quickly and easily thanks to a swivel-mounted tabletop extension.

EVERYTHING IN ITS PLACE.

Extra-deep drawers and the kitchen overhead locker can accommodate plenty of crockery and cooking provisions. The drawers are fitted with high-quality pull-out units including self-closing mechanisms. Thanks to the worktop extension, the work surface on the kitchen unit can be extended in next to no time. Cooking while on the road has never been so much fun!

SLEEP WELL WHILE ON YOUR DREAM HOLIDAY.

SWEET DREAMS.

The rear beds in the HYMER Free are equipped with a comfortable cold foam mattress including a comfort slatted frame, guaranteeing you a restful night's sleep. The slatted frame in the rear of the HYMER Free can be raised up vertically, leaving a wide gangway suitable for through-loading of even bulky objects, such as bicycles. Your cargo can be kept perfectly secure thanks to the lashing eyelets that are recessed in the upper floor and rear bed.

PRIVATE AND COSY.

The compact bathroom is closed off by a space-saving tambour door. When showering, the shower curtain protects the mirror cabinet, washbasin and toilet from water spray. An all-round drainage channel ensures that the water in the shower tray drains away reliably. Your bathroom accessories can be neatly stowed away in the mirror cabinet above the washbasin. There is also an open shelf for taller items, such as cans of hairspray.

PLENTY OF ROOM.

The floor-to-ceiling wardrobe in the HYMER Free 600 offer plenty of room for all your holiday attire. Items of clothing can be neatly and tidily hung up on hangers in the top section, while the bottom section is fitted with shelves.

NEW HYMER Free S

FOR ADVENTURERS – WITH THE HIGHEST STANDARDS.

Take a time-out from everyday life and leave the mundane behind. The new HYMER Free S, based on the front-wheel drive Mercedes Sprinter chassis, offers perhaps the most comfortable way to be spontaneous – anywhere and anytime. Its powerful engine and extensive comfort and safety features, such as the Mercedes 9G automatic transmission and state-of-the-art assistance systems, meet the highest demands. The front-wheel drive guarantees a higher payload and even more headroom in the interior. This makes the HYMER Free S your perfect companion for small trips and big adventures alike.

HYMER QUALITY IN A NEW DESIGN.

NEW DESIGN, SAME OUTSTANDING QUALITY.

The new interior is more elegant than ever. The modern design and sophisticated lighting concept make the interior seem even larger and more inviting. And the headroom of up to 2 m ensures even taller passengers feel right at home.

TAKE IT ALL WITH YOU.

With front-wheel drive, the Free S lets you carry an even greater payload – so you are fully equipped for every eventuality.

SITTING COMFORTABLY?

The seating area in the Free S is as elegant as it is comfortable – and consists exclusively of high quality, authentic materials. Optionally, the seating area can also be ordered with ISOFIX. The ergonomic driver's and front passenger seats in matching upholstery offer outstanding comfort – both on longer journeys and for a cosy get-together in the evening.

PRACTICALLY PRIVATE.

CREATE ADDITIONAL PRIVACY IN NEXT TO NO TIME.

The compact bathroom can be closed off via a space-saving, two-part tambour door. When showering, the shower curtain protects the mirror cabinet, washbasin and toilet from water spray. An all-round drainage channel in the shower tray ensures that the water drains away reliably.

EASY ACCESS TO TOTAL RELAXATION.

The innovative pull-out bed riser provides easy and convenient access to the rear beds, while also functioning as a handy storage space partition to prevent your cargo from sliding around.

COMFORT YOU WILL SIMPLY LOVE.

The rear beds in the HYMER Free S are optimally equipped with ambient lighting and a comfortable cold foam mattress including a comfort slatted frame. For extra convenience, they also feature flexible reading spotlights and a USB charging socket.

HYMER Sydney

LIKE A SECOND CAR.

The HYMER Sydney is characterised by a flexible seating concept comprising 3, 4 or 5 seats. It also has extra storage capacity thanks to removable furniture and a portable toilet gives you even greater independence on your travels. With its car-like dimensions and intelligent storage space concept, the HYMER Sydney is an ideal multifunctional vehicle for the whole family.

SYDNEY

Pop-top roof as standard

Diesel heater

5th seat

65-l compressor refrigerator

Lashing rails for flexible fixation

Comfort sleeping system with disc springs

LIKE HOME, BUT WITHOUT THE DAILY GRIND.

PLAY.

Generous interior for cosy get-togethers – the HYMER Sydney with 2.05 m headroom and adjustable table.

RELAX.

As an adaptable 5-seater version with driver and passenger seats, double bench seat and removable fifth seat, the HYMER Sydney offers first-class seating comfort – whether on the move or at rest.

INDULGE.

The modern kitchen area offers plenty of space for cooking and washing up. The extra-deep drawers with high-quality self-closing mechanisms are great for storing pans and crockery, for example.

AMPLE SPACE FOR YOUR DREAMS.

COMFY BEDS.

Sleep longer: the HYMER models also guarantee a comfortable night's sleep for people over 2 m tall. By simply fitting a support bracket over the table, which can be partially folded down, you can create a twin bed with a length of 2.4 m.

COMFY SEATS.

The standard version of the HYMER Sydney is a 3-seater with bucket seat including armrests. The optional 5th seat can also be removed if necessary.

FLEXIBLE STORAGE SPACE.

The optional removable cabinet and optional 46-litre compressor cool box provide additional flexibility.

**HYMER Ayers Rock, Grand Canyon,
Yosemite, Yellowstone**

CREATURE COMFORTS.

Whether travelling solo, as a couple or a group of four – thanks to different layout concepts the HYMER Ayers Rock, Grand Canyon, Yosemite and Yellowstone models offer the right vehicle for every type of holiday. A well-thought-out interior design concept and the comfortable pop-top roof provide plenty of room to express yourself, while still leaving enough space for sports equipment such as bicycles. Simply everything you need.

Pop-top roof
(optional)

Insulated aluminium
framed windows

(optional)

4 kW hot-air heating
system with hot
water boiler

Lashing rails for
flexible fixation

Comfort sleeping
system with disc
springs

AYERS ROCK, GRAND CANYON,
YOSEMITE, YELLOWSTONE

FOR THE PERFECT BREAKFAST. NO MATTER WHERE THE SUN RISES.

MULTIFUNCTIONAL.

The folding table in the side wall can be quickly adjusted to make the tabletop area larger or smaller. It can also be folded back completely against the wall as required.

COMFY SEATING.

The generously designed seating area can also be fitted with ISOFIX attachment points.

NEATLY ORGANISED.

The extra-deep double drawers are equipped with high-quality self-closing mechanisms and a large, two-tiered cutlery tray.

KEEP YOUR COOL.

Modern compressor refrigerators ensure effective cooling no matter how high the temperature rises outside.

EVERY SNACK IS A FEAST.

The kitchen is fully equipped with a sink, an integrated 2-burner gas hob and a compressor refrigerator. Extra-deep drawers and generous overhead lockers make pottering in the kitchen a whole lot easier.

The half-height refrigerator (in the Grand Canyon and Yellowstone) enhances the generous sense of space and creates additional storage options.

WAKE UP TO YOUR DREAM HOLIDAY.

START EACH DAY WELL-RESTED.

The modern comfort sleeping system for the rear bed with comfy cold foam mattresses, disc springs and attractive fabric-lined wall coverings offers perfect peace and quiet with a touch of luxury.

ON TOP OF THE WORLD.

The pop-top roof with integrated bed including comfort sleeping system lets you create a separate bedroom. This area can be reached via a ladder and can be closed off to separate the two areas visually.

COMPACT COMFORT.

The compact bathroom is equipped with a large, stylish folding washbasin in superior-quality solid-surface material. The tambour door takes up no room even when open, thus leaving the gangway clear. The standard window in the bathroom also makes the room brighter. The wash-room is multifunctional, allowing you to turn the compact bathroom into a wardrobe in next to no time.

HYMER Grand Canyon S

TIME FOR YOUR NEXT ADVENTURE.

The perfect vehicle for those who refuse to compromise – with the HYMER Grand Canyon S on Mercedes-Benz Sprinter chassis, you are ready for any trip. The fabulous driving dynamics – underpinned by a comprehensive safety package featuring state-of-the-art driver assistance systems – will have you addicted. Enjoy your time-outs with the 7G Tronic automatic transmission, all-wheel drive and everything else you need. Luxury without compromise. Wherever your journey takes you.

Pop-top roof
(optional)

Driver-activated
four-wheel drive
(optional)

Sockets 3x 12 V and
4x 230 V + 2 USB

4 kW hot-air heating
system with hot
water boiler

Lashing rails for
flexible fixation

Comfort sleeping
system with disc
springs

COMFORT IS NO COINCIDENCE.

EVERYTHING SIMPLY WORKS.

Versatile: the large folding side table in the Grand Canyon S opens up to a very useful size. What's more, it can be partially collapsed or folded away completely as required, so you don't have to store it separately while on the move.

STRESS-FREE COOKING.

The compact kitchen unit in the HYMER Grand Canyon S features generous work surfaces and plenty of extra-deep drawers with high-quality soft-close mechanisms and ample space for pots and pans or crockery. All you need to prepare even the most elaborate meals! A kitchen counter extension can be hooked onto the rail fixed to the side of the kitchen cabinet to provide an extra work surface.

MAKES COOKING A PLEASURE.

The practical cooker/sink combination with two burners is space-saving yet functional. When the glass lid is folded down, it becomes a large worktop or shelf surface.

COOL? MEGA COOL!

The large compressor refrigerator in the Grand Canyon S with integrated freezer compartment has a capacity of 90 l and can also be used as a practical storage rack.

THE BEST MORNINGS INCLUDE A LIE-IN.

INCREDIBLY CONVENIENT.

All HYMER models are equipped as standard with our comfort sleeping system, consisting of high-quality disc spring bed frames and cold foam mattresses. Thanks to the extra body width, the HYMER Grand Canyon S boasts a particularly generous interior with room for a large 195 cm x 135 cm bed.

EXTRA SECURE.

The shelf is equipped with practical elastic straps to keep all your bathroom accessories handy and secure.

PURE LUXURY.

The roomy compact bathroom in the Grand Canyon S is lavishly and practically equipped – with a bathroom window as standard, a folding designer washbasin in solid-surface material plus a modern bench toilet complete with a level indicator and toilet roll holder.

CLEVER SOLUTION.

The double bed in the rear offers plenty of room for a restful night's sleep and features a new, pull-out bed ladder with a storage space partition for extra convenience. During the day, the bed can be easily folded up out of the way and the rear can be used as a storage space for surfboards, bikes and other items.

NEW HYMER DuoCar S

PLENTY OF ROOM FOR TWO.

The layout of the HYMER DuoCar S is specially designed for two people and is sure to delight thanks to a completely new sense of space. The DuoCar is the ideal camper van for two passengers and offers limitless freedom for spontaneous city breaks or extended adventure holidays. The vehicle is based on the fully glazed variant of the new Mercedes Sprinter. In addition to the dynamic performance, it is characterised by a bright interior that benefits from an abundance of daylight. The tinted outer panes nevertheless provide enough privacy and the optional pop-top roof also offers an extra (or alternative) sleeping option.

Pop-top roof (optional)

Driver-activated four-wheel drive (optional)

Sockets 1x 12 V and 3x 230 V + 4 USB

Diesel heater

Rear-wheel drive

Separate wardrobe

TOTAL RELAXATION – FOR BOTH OF YOU.

INDEPENDENT. ALWAYS.

Thanks to the powerful standard diesel heater, the large 93 l fuel tank and the optional HYMER Smart Battery System, you can stay independent for longer while enjoying all your creature comforts – no matter how far off the beaten track you venture.

NO CULINARY COMPROMISES.

The DuoCar S has the largest kitchen in its class. Thanks to the integrated 70 l compressor refrigerator – which can be opened from both sides – and the particularly generous work surface, preparing even elaborate dishes is a breeze.

THE BEST SEATS IN THE HOUSE.

The couch, which is oriented along the direction of travel, is particularly long and comfortable, allowing you to enjoy the perfect lounge experience without sacrificing space for movement.

THE BEST PLACE TO WAKE UP TOGETHER? EVERYWHERE!

MORE THAN ENOUGH ROOM FOR TWO.

The optional pop-top roof with built-in bed provides even more sleeping options and is ideal if you want to separate the living and sleeping areas.

ALL-ROUND COMFORT.

The large rear bathroom features a pull-out toilet and a new shower tray embedded in the floor. An elegant room divider turns the bathroom into a comfortable dressing room.

FULLY LOADED.

The separate toilet in the DuoCar S can be stowed away completely to create a spacious changing area and a long-cargo channel from the rear to the cab.

EVERY GREAT JOURNEY BEGINS WITH A PLAN.

FIAT HIGHLIGHTS.

Jam-packed with safety features.

The excellent driving comfort of a Fiat Ducato-based HYMER is complemented by an extremely comprehensive safety package that includes driver and passenger airbags, ABS, TCS and ESP including Traction+. Added safety and convenience are provided by electrically adjustable and heated wing mirrors, a daytime running light, hill start assist and hill descent control.

LANE DEPARTURE WARNING SYSTEM

The lane departure warning system (LDWS) emits an acoustic signal alerting the driver if the vehicle strays outside the lane.

TRAFFIC SIGN RECOGNITION

The Traffic Sign Recognition (TSR) system alerts the driver to road signs via an on-board display.

COLLISION WARNING SYSTEM WITH EMERGENCY BRAKING FUNCTION

This system is capable of detecting obstacles in front of the vehicle and mitigating or preventing collisions. The driver is automatically alerted; if they fail to respond, the system automatically initiates the braking process.

MULTI-FUNCTION STEERING WHEEL

The radio and other connected devices can be conveniently operated via the adjustable multifunctional steering wheel.

LED DAYTIME RUNNING LIGHTS

The headlights incorporating LED daytime running lights generate 40% more luminescence for improved passive safety by day.

ELECTRONIC STABILITY CONTROL (ESC)

This sophisticated system constantly monitors your driving. It applies the brakes or reduces your speed when necessary.

TRACTION+ WITH HILL DESCENT CONTROL

Ensures trouble-free driving, even on difficult surfaces. On downhill slopes, the system helps you to maintain the desired speed.

NEW 9G AUTOMATIC TRANSMISSION

The fully automatic 9-speed automatic transmission ensures optimum use of torque and increased ride comfort. In addition, it is extremely light, reliable and durable.

RAIN SENSOR

Automatically activates the windscreen wipers as rainfall increases.

BLIND SPOT ASSIST

The Blind Spot Assist uses radar sensors to detect vehicles in the blind spot of the rearview mirror.

ROLL-OVER MITIGATION

Additional assistance for the ESC in situations where the risk of roll-over is greater.

MERCEDES-BENZ HIGHLIGHTS.

Built-in dynamics.

All HYMERS based on the Mercedes-Benz Sprinter chassis come with an extensive safety package. The electronic stability control package includes an anti-lock braking system (ABS), traction control system (TCS), electronic brake force distribution (EBD) and a hydraulic brake assist system (BAS). Also included are the latest generation adaptive electronic stability program (ESP), load adaptive control (LAC), roll-over mitigation and roll movement intervention (ROM/RMI), enhanced understeering control (EUC) and trailer stability assist (TSA). Even greater driving safety in wet and rainy conditions is ensured by the automatic Brake Disc Wiping and Electronic Brake Prefill systems, as well as the new automatic headlights as standard.

7G-TRONIC AUTOMATIC TRANSMISSION

The fuel-optimised 7-speed 7G-TRONIC PLUS automatic transmission guarantees a smooth drive and is available as an option.

CROSSWIND ASSIST

The standard crosswind assist helps keep the vehicle in lane in strong winds thanks to automatic braking interventions.

LANE DEPARTURE WARNING SYSTEM

The lane departure warning system sends acoustic and visual signals to the driver if the vehicle in case of unintentional lane departure. When the lane departure warning system is active, the system also intervenes to make corrections by applying the brakes in a targeted manner. This helps to reduce the risk of accidents caused by the driver briefly falling asleep at the wheel.

BLIND SPOT ASSIST

The optional Blind Spot Assist alerts the driver to vehicles in the blind spot via visual and acoustic signals. Rear Cross Traffic also detects any vehicles passing behind the camper van when reversing.

FOUR-WHEEL DRIVE

An optional, driver-activated four-wheel drive system with greater traction, improved driving stability and the latest generation of ADAPTIVE ESP® lets you master even the most challenging weather and road conditions.

DISTRONIC DISTANCE ASSIST

The system automatically maintains the distance you choose from the vehicle ahead – and automatically applies the brakes and brings the vehicle to a stop when necessary.

PARKING ASSIST WITH 360 DEGREE CAMERA

Makes easier work of manoeuvring into and out of a parking space – visual and acoustic signals warn the driver of any obstructions in addition to the image shown on the Mercedes display (with a screen size of up to 10.25”).

ADAPTIVE WINDSCREEN CLEANING SYSTEM

The washer fluid is applied directly to the windscreen via the wiper blades for optimum distribution of the fluid without impairing your view.

ATTENTION ASSIST

The system analyses each individual driver's behaviour, detects any abnormal driving behaviour – for example, due to drowsiness or distractions – and warns the driver accordingly.

TRAFFIC SIGN ASSIST

Traffic Sign Assist uses a multifunctional camera to recognise traffic signs and helps the driver by displaying the speed limits and no-overtaking signs it has detected in the instrument cluster. The system issues a warning if it detects that you have entered a section of road against the prescribed direction of travel. The camera also recognises traffic signs with restrictions that are indicated by an additional sign (e.g. when wet).

MERCEDES MBUX MULTIMEDIA SYSTEM

The impressive MBUX multimedia system with a touchscreen measuring up to 10.25” (26 cm) boasts intuitive touch controls, a high-resolution touchscreen and a wide range of communication and infotainment features. It is also the basis for many of the assistance systems.

HYMER ORIGINAL PARTS.

A perfect match.

Discover our wide range of innovative solutions that are available in the categories interior, exterior, chassis system, travel and transportation. With HYMER original accessories, you can rest assured you've made the right choice – for a perfect fit, impeccable workmanship and original quality. HYMER original accessories are not available direct from

the factory, but are instead ordered and retrofitted exclusively via your HYMER dealer. You can find our full range of accessories on the internet at: www.hymer-original-zubehoer.com/en

WELL COVERED

You can tell an original HYMER seat cover by its optimal fit. These machine-washable protective covers include a pocket at the back and are available in beige and graphite.

ALL ABOARD

The rear-mounted Atera bicycle rack attached to the tow bar lets you open both rear doors even when loaded.

INSECT BLOCKER

The mosquito net provides effective protection against insects in the vehicle while allowing air to circulate freely. Easily attached with magnets. Available for HYMER vehicles on Fiat Ducato or Mercedes-Benz Sprinter chassis.

KEEP THE COLD OUTSIDE

The folding rear insulation with window cut-outs keeps you warm in winter. Easily attached with magnets. Available for HYMER vehicles on Fiat Ducato or Mercedes-Benz Sprinter chassis.

RELIABLE LUGGAGE RACK

Surfboard, kayak or dinghy – anything you can't fit inside the vehicle can go on the roof rack.

ALL-ROUND PROTECTION

The 4-part pop-top roof insulation is fastened in place with Velcro (Fiat models) or Fidlock magnets (Mercedes models). The front section can be opened for air circulation and to let in light.

STAY WARM, FEEL GOOD

A bed that is perfectly toasty and warm is a must for a relaxing and sound night's sleep. The electric blanket simply needs to be plugged into a 12-volt socket, which means it can be conveniently used when on the road.

TAILOR-MADE FOR YOUR FEET

Custom-made high-quality cab carpet made of polypropylene tufted velour with edging in a nubuck design. The carpet is secured against slipping and is additionally equipped with a heel guard.

TRAVEL IS ALWAYS IN FASHION

Enjoy being active and discovering new places? Wherever your journey takes you – HYMER has the perfect outfit.

LIKE SLEEPING ON AIR

The original HYMER fitted sheet is a perfect fit and, like the mattress topper, is available for all bed types.

REST ASSURED

The specially designed HYMER safe for the passenger door of your Fiat Ducato vehicle provides enough space for the most important valuables that are essential when on the road.

FOR YOUNG SLEEPYHEADS

The HYMER children's bunk measures 160 x 70 cm and fits easily into the cab. Available for both Fiat Ducato and Mercedes-Benz Sprinter.

PURE DYNAMICS

Cut a dash with the new HYMER styling kit for the front spoiler that highlights the dynamic appearance of the Fiat Ducato.

ALWAYS TO HAND

With the retractable loading floor you can securely stow your luggage. As required, the loading floor can be retracted by around 80 cm, allowing the rear area to be accessed with ease without having to remove any luggage. If necessary, the loading floor can be removed with relative ease.

MULTIMEDIA PACKAGE

The multimedia package is specifically designed for the Fiat Ducato and consists of the Zenec 3756 (with 3 years of map updates and FreeOnTour integration) and matching reversing camera, which is elegantly integrated in the third brake light. Includes a radio switch to operate the system without starting the engine.

HAPPY HOLIDAYS GUARANTEED.

With the Erwin Hymer Group (EHG) warranty for new vehicles – in partnership with CG Car-Garantie Versicherungs-AG.

The purchase of a motorhome or caravan is something truly special. It gives you the freedom to travel independently whenever and wherever you want – your home will always be with you. We want you to enjoy carefree days and weeks in your holiday home on wheels.

unwelcome financial surprises – even after the end of the warranty period. You can request the warranty for 12, 24 or even 36 months from your authorised dealer. ICON LEGEND.

Everything at a glance.

AMBIENT LIGHTING

The ambient lighting is characterised by indirect LED light, thus ensuring an understated and homely feel throughout the living and kitchen areas.

COMFORT SLEEPING SYSTEM

The HYMER comfort sleeping system with high-quality disc-spring bed frames maximises the benefits of the multi-zone cold foam mattresses. Each area of the body is supported with the ideal counter-pressure for snug and restful sleep.

COMPRESSOR REFRIGERATOR

The compressor refrigerator is already included as standard in many model ranges. Each vehicle can accommodate 70 l as standard, while the large model has a capacity of up to 90 l.

DIESEL HEATER

Heating with diesel means maximum independence for you because the fuel comes directly from the vehicle's tank and does not have to be purchased separately. The modern heaters are also extremely quiet and completely odourless, not to mention reliable and highly efficient.

DRIVER-ACTIVATED FOUR-WHEEL DRIVE

An optional, driver-activated four-wheel drive system with greater traction, improved driving stability and the latest generation of ADAPTIVE ESP® means you can master every challenge in all weather and road conditions.

FRONT-WHEEL DRIVE

The front-wheel drive system is much lighter than its rear-wheel drive counterpart, which reduces the overall weight of the vehicle and allows a larger payload. The front-wheel drive is available with 6-speed manual or 9-speed automatic transmissions.

INSECT SCREEN

The pleated insect screen for the sliding door on the side of your HYMER is a practical addition. It's sturdy and provides reliable protection from insects and other unwelcome guests.

INSULATED ALUMINIUM FRAMED WINDOWS

The high-quality aluminium framed windows, which are included as standard equipment, offer improved burglary protection and guarantee first-class winter resistance. Practical pleated blinds and insect screens are included.

ISOFIX

ISOFIX is an internationally standardised system that is the safest, easiest and quickest way to fit a child car seat correctly, without using the vehicle's seat belt.

LASHING RAILS

Integrated aluminium lashing rails with adjustable eyelets allow flexible and secure mounting of various accessories for transportation purposes.

POP-TOP ROOF

Two extra berths are available thanks to the optional pop-top roof with integrated Maxi double bed featuring the comfort sleeping system.

REAR-WHEEL DRIVE

Thanks to its powerful rear wheel drive, the HYMER displays smooth, superior handling in all traffic situations – and an extremely comfortable ride into the bargain.

SOCKETS

The 230 V and 12 V sockets provide plenty of power for various appliances.

WARDROBE

The wardrobe offers plenty of room for your holiday attire. Items of clothing can be neatly and tidily hung up on hangers in the top section, while the bottom section is fitted with shelves.

4 KW HOT-AIR HEATING SYSTEM

You can use the heater to warm up the room and heat the water for the kitchen and bathroom – either simultaneously or separately.

5TH SEAT

As an adaptable 5-seater version with driver and passenger seat, double bench seat and the removable fifth seat, the HYMER Sydney offers first-class seating comfort and can be quickly adapted to your needs.

NOTE

This brochure describes the series status at the time of publication. Despite careful checking of the contents, misprints cannot be ruled out. We reserve the right to modify the equipment or make product improvements during the course of the model year. Before signing a sales contract, please ask one of our authorised HYMER dealers about the current product and series status.

Some vehicles include optional extras which are quoted in the current price list and available at extra cost. The decoration shown is not supplied by HYMER. The details of the scope of delivery, appearance, performance, dimensions and weights are valid at the time of going to press – deviations within the factory tolerance limits (max +/- 5%) are possible and permissible.

This data complies with European homologation regulations, which may change up to the time of vehicle purchase or delivery. Your HYMER dealer will gladly provide you with information on any changes and the standard scope of delivery.
